Foreword

MEMORY is ever a Bridge to the past, and who is there that does not enjoy crossing this Bridge? Perchance in the days to come each of us will want to stroll across to the lane of Long-Ago. It is with the hope that this book may serve as a connecting link where memory falters that we have filled its pages with the records of the happy days of 1928-1929 spent in work and play at Bryson.

Alma Mater

*Far above the old Elk River, with its waves of blue,
Stands our noble Alma Mater, glorious to view.
Bryson College, sing we ever, loud her praises tell;
Hail to thee our Alma Mater, hail, all hail, to thee.*

*Far above the busy humming of the bustling town,
Reared against the arch of heaven, looks she proudly down.
Bryson College, sing we ever, loud her praises tell;
Hail to thee, our Alma Mater, hail, all hail, to thee.*

THE CLASSES

A Song

*Hark! Within my sparkling depths
Lie stories long untold,
Of youthful maids with burnished skins
And warriors brave and bold.*

*All these have long since passed away,
Their tales I only know,
The tales of love, the hunt and war,
They told me long ago.*

*Others have come since they have gone,
A tribe that's dear to me,
The dearest friends I've ever had,
They cling to my memory.*

*Wigwams have changed to college halls,
Council fires are no more,
But life remains and is the same
As in those days of yore.*

*When the long long day is over,
And shades of evening fall,
They gather in the twilight,
In answer to my call.*

*And they tell me all their troubles,
Joys, sorrows, toil and care,
Thus they tell me of their college
And all that is found there.*

*Within these walls the chiefs assembled,
Teach daily without fail,
The crafts and arts that braves may learn
Knowledge of the unbroken trail.*

*And thus each year leads on to the next
As water flows on to the sea.
May God guide their barks to the sea of success,
These friends so dear to me.*

Y. W. C. A. 1, 2, 3, 4; Secretary-Treasurer 2; Vice-President 3; L. C. H. S. Club 1, 2, 3, 4.

Eunice entered the Freshman Class '25 from Lincoln County High School.

Eunice is a hard working and conscientious student and is well liked by all the student body and faculty. In her years in Bryson she has received honor in the "College Celebrities" by being elected most honest, most conscientious and the hardest worker. Underneath her quietness is a willingness and ability to be a help to others at all times.

She has been a loyal member and an enthusiastic and efficient worker in Y. W. C. A., of which she served as Secretary-Treasurer '26 and Vice-President '27 and '28. In her Junior year she was elected as a delegate to the Student Vounteer Conference which was held at Murfreesboro.

We predict that after graduation, Eunice will do credit to her Alma Mater in whatever she undertakes to do.

CHARLES LINDSAY, B.S.
FAYETTEVILLE, TENNESSEE

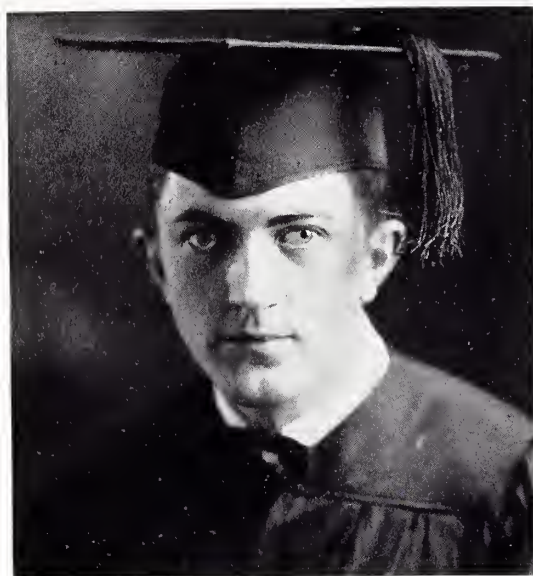

Varsity Football 1, 2, 3, 4; Captain Football 3; President L. C. H. S. Club 2; Vice-President Student Body 3; "B" Club 1, 2, 3, 4.

Charles is a home grown product. He received his preparatory training at Lincoln County High School. Having spent his day there Charles availed himself of the opportunity that Bryson College offered and therefore we have him graduating with the Class of '29.

He is accredited with possessing one of the greatest honors that can be gained in college activities, for Charley is a football star. How vivid are those games in which he displayed his athletic ability in his onslaught of the enemy. He won a letter his four years and was captain in '27. Many attractive athletic offers were made him by other colleges yet he remained loyal to the "Bryson Bears."

In his four years here he has won his way into the hearts of the students and is well liked by all; even when he finds time to call on Bellview Avenue he receives a warm reception. Our class joins him in his sentiment "O! that this college life might end and make two lovers happy."

*If we have enjoyed your life
and your college life
and your college life*

SAMUEL CLYDE McDILL, B.S.
FAYETTEVILLE, TENNESSEE

Y. M. C. A. 1, 2, 3, 4; Vice-President 2; President 3; L. C. H. S. Club 1, 2, 3, 4; Wilsonian Society 1, 2.

Clyde is one of our town students who came to us from County High. He is a very conscientious worker in his studies and all duties he performs. His faithfulness has been proven by his promptness in ringing the bells for classes at the exact minute. He is always the first to be seen on the campus each morning.

Clyde has taken great interest in the college "Y" work. Although he is not an athlete he has served the team and college by holding gate receipts at most all the games.

For a while no fair maiden ensnared the heart of Clyde nor even disturbed the calmness of his mind, but in his Senior year "the tide seems to have turned."

*Here is to a journey of to-day and a
Senior of tomorrow.
May there be many happy moments
for you in the future and especially
in your Senior Year.*

A clean, straight-forward, ambitious young man—this is "Hick." He possesses one of the greatest honors that can be gained in college activities; he is a football star. "Hick" has spread Bryson's athletic fame by his star plays in football, baseball, and basketball in various states, including Tennessee, Arkansas, Alabama, Kentucky and South Carolina. His senior year he was captain of the football team and coached the basketball team.

Appreciation of him by the student body was shown by his election as its president. In his Junior year he served as Advertising Manager on the Bridge Staff. His popularity is shown by the many distinctions given him in the annual elections. "Hick" has made his literary mark in the classroom as well as on the athletic field.

In short he is an all-round boy, who will live in our hearts until the last page in memory is closed forever. Success will be his no doubt.

*Will never forget the college days with
 you as a close friend, and your many laughs
 and jokes.*

LILLIE MCGEHEE, B.S.
MULBERRY, TENNESSEE

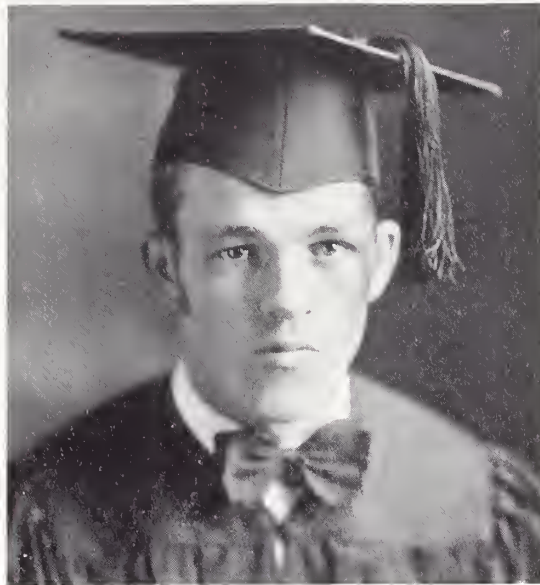

Y. W. C. A. 1, 2; L. C. H. C. 1, 2, 3, 4; "Mc" Club, President 3; Orchestra 1; Secretary-Treasurer Junior Class 3; Glee Club 1, 2, 3, 4; Vice-President Senior Class 4; Secretary-Treasurer Student Body 4; Librarian Bryson College 1928-'29.

The McGehees have furnished Bryson a student ever since its establishment and last but by no means least Lillie adds the finis to this record.

She came to us from Lincoln County High in '25. Lillie has attracted everyone's attention by her cheerful smile, her friendly attitude, and her sympathetic understanding. She has been the life of many a crowd with her fun and unselfishness. In Glee Club work Lillie's alto has been appreciated by the audience. In her Sophomore year her name is found in the College Celebrities as the most beautiful girl. She spent her Sophomore vacation at Yellowstone and her Junior vacation at Peabody.

In her Senior year Lillie became Bryson's librarian, a position which was not at all easy for a student to fill. She has been successful in winning everyone's respect although it has been hard on her to have to call someone down in the midst of their hilarious narrative.

Next year the Spratt Home, the dining hall, the campus and the reading room will miss Lillie but we all hope for her years of happiness.

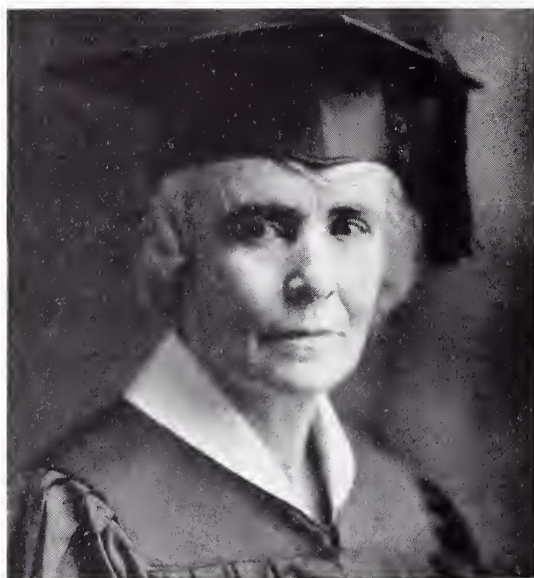

JOE MYRON OATES, B.S.
RUSSELLVILLE, ARKANSAS

"B" Club 1, 3, 4; Y. M. C. A. 1; Arkansas Club 1, 3, 4; Varsity Football 1, 3, 4; Basketball 1, 3, 4; Secretary-Treasurer Senior Class 4.

One of those destined to be a distinguished son of Bryson College is Myron Oates of Russellville, Arkansas. Taking part in almost every phase of college life, and enjoying all the fun and mischief of the dormitory yet not beyond the bounds of reason, that is Myron.

This Arkansas traveler boarded the proverbial slow train from Russellville to enter the Freshman Class of '25, but instead of returning the next year he decided to go to Rusk College in Texas. Somehow that old "Bryson Spirit" prevailed and Myron boarded that train again to enter the Junior Class and now he is one of the most liked members of the Senior Class.

During his three years here he has shown his worth in athletics. His star plays in football were due to his level head and the grit to stick but in basketball one can't help believing it was due to his height.

MRS. A. J. RANSON, B. A.
FAYETTEVILLE, TENNESSEE

Not merely being the wife of the President of Bryson has won Mrs. Ranson so many friends among the student body and classmates of '29 in the two years that she has been here, but because of her sunny and youthful disposition and her tact in mixing with young people.

Due to the years spent in India as a missionary she has meant much to the Y. W. C. A.

Mrs. Ranson has also shown her Bryson Spirit and athletic support by never missing a pep meeting or a football game. Even tho' it was pouring rain she could be heard on the side line doing as much yelling as Dr. Ranson thought the dignity of a college president's wife would permit.

VIRGINIA RUSSELL, B.A.
3309 WEST 12TH ST.
LITTLE ROCK, ARKANSAS

Ouachita College 1; University of Arkansas 2; Bryson 3, 4; Y. W. C. A. 3; Arkansas Club 3, 4; Secretary-Treasurer Cosmopolitan Club 3.

Virginia is one of those girls who is a friend to everybody though her quiet manner and kind heart are what make her so, not her many words and display of deeds. Perhaps she is not one of those friends so easily won but once she is known you find her a real girl and you also find that her quietness covers a heart of gold, even more golden than her hair.

Virginia came to Bryson in her Junior year, having spent her Freshman year at Ouachita College and her Sophomore year at the University of Arkansas. Virginia made a hit with the faculty her first year here. She has attracted everyone by her culture, her common sense, her intelligence and her keen sense of humor.

The Senior Class was glad to welcome her into our midst two years ago and we wish for her a future of success and happiness.

Dear Sir,
I am very glad to hear of your success in the future.
Yours truly,
Virginia

"Buddy"

FAYETTEVILLE, TENNESSEE

L. C. H. Club 1, 2, 3, 4, President 2; President Sophomore Class 2; Inter-Collegiate Debater 2; Junior Historian 3; Debating Club 2, 3.

To think of "Buddy" one thinks of optimism at its height. "Buddy" has a smile for all and is a friend to everyone.

His intelligence is just as noticeable as is his spirit of cheerfulness. The entire faculty counts it a pleasure to have Buddy in class and he does good work.

His ambitious inclinations took him to U. T. the first quarter of his senior year but the "good ole Bryson spirit" brought him back to us to finish his college work here.

Always full of pep and ready to give enthusiastic support to any undertaking, he is truly an asset to any phase of college life. He represented the college well in inter-Collegiate debates. He was class president his second year.

The Wileys, too, have furnished Bryson a student every year and "Buddy" is the last. There is no doubt about him making good. His bright and cheerful smile will help him win his way into the confidence and respect of his fellow men.

"Bill"

HARMS, TENNESSEE

The Junior class sustained an irreparable loss when they lost Bill. He had been with most of us for seven years, and so we knew him and appreciated his sterling qualities. His life is as a shining light, and his memory is a wonderful example to us.

SADIE FRANCES DALE

FAYETTEVILLE, TENNESSEE

Sadie is blessed with one of the sunniest dispositions we have ever come in contact with. We are always grateful for her smile and for her music. Everyone loves her, but he who knows her best loves her best.

LILLIAN KIRBY

"Mrs. FRANCIS MANSFIELD"

FAYETTEVILLE, TENNESSEE

Lil was a loyal and likeable member of our class until—well, you know matrimony has its charms. The Junior Class was sorry to lose Lil as a classmate but we wish her a future of happiness and we are glad of the many pleasant associations we have had with her.

LEONARD KENNEDY

"Ike"

FAYETTEVILLE, TENNESSEE

Our class would not be the Junior Class without Ike. When we plan anything, we always ask him to be the leading spirit in it, and never once has he failed us. His good traits are numerous and chief among them we find that, always, Ike is a good sport.

DORRIS McCOWN
FAYETTEVILLE, TENNESSEE

To see Dorris looking solemn would be as great a shock as to learn suddenly that there was no Santa Claus. She is a great favorite with both students and faculty. We do not know what she intends to make of herself, but we have an idea it is to sing away the blues of the tired people in the commercial world.

VIRGINIA NEWSOM
FAYETTEVILLE, TENNESSEE

Virginia came to us from Brenau College in time to be our art editor, and she's made us a fine one, too. We all love Virginia; she has a smile for everyone, and friendliness radiates from her at all times.

RACHEL RABY
FAYETTEVILLE, TENNESSEE

Will anyone ever forget Rachel, and the way she has divided up on her lunches? Assuredly the Junior Class never will. And she has more and more lovable traits—the longer you know her the longer you want to know her. And we have known her a long time.

ARTHUR RANSON
FAYETTEVILLE, TENNESSEE

Arthur has endeared himself to us all by his mischievous capers and his fun-loving nature. He has a serious side, too, but it is often hidden under a smile and laugh. We will all remember him for being so considerate and for being—Arthur.

*Julia, I certainly have enjoyed
being in class with you these years.
It takes you to make our junior class

*Julia, dearest,

"Togetherness",
"Gladys" and other
expressions of
happiness! You

my telling you
that I love you
this is for your
future, luck in
college.*

FORREST SHERRILL
FAYETTEVILLE, TENNESSEE

Forrest has been with us three years and never once has he done anything that would lose for him his soubriquet of "honest man." You might think he was too serious if you didn't happen to see that twinkle in his eye. He's as square as they make 'em!

JULIA SMITH
FAYETTEVILLE, TENNESSEE

You can hardly think of Julia without Rachel, yet she has a personality all her own. Her willingness to play for us between periods and at the lunch hour has enabled many to sit through an hours lecture. Her disposition and her fun will always bring her many friends and much success.

GLADYS WIGGINS
FAYETTEVILLE, TENNESSEE

Gladys deserves the name of "Faithful" if ever anyone did. She has been the balm of Gilead to many a person making the most of the ten minutes before class. But that is not all we appreciate her for—being "just Gladys" has made her popular with us all.

CALVIN SMITH
TROY, TENNESSEE

The more we see of Calvin the more we like him. His irrepressible laugh has upset the calm of many a quiet classroom, and he has made life just a little happier for us all because he's been with us.

BOOK I. BUCHANAN THE YOUNG MAN

IN MEMORIAM
WILLIAM M. BUCHANAN

"Bill" Buchanan prepared every lesson, played every game, fought every fight, even to his last, in a way that showed he was always ready for life,---so death found him ready. He was known to many, but his enemies were few. Every friend loved him; every opponent respected him. Our sorrow in his going is not for him; he has but taken one step higher; it is for ourselves—we have lost a man and a friend.

Bryson Spirit for 1928'-29

Fight, fight, blue and white!
 Fight, fight, blue and white!
 Fight, fight, blue and white!
 Team! Team! Team!

And Bryson was launched on another successful and pep-inspiring season. Never were cheerleaders more loyally supported by frantically yelling students, and never did the words of our Alma Mater ring out so clearly as when Joe Oates kicked off in our first football game of '28. All through the season it was like that, and pep meetings, parades, and lots of advertising served to wake up the business men down town, and to bring them out "en masse" to our games. Alumni, too, ever loyal to the old spirit, flocked to the campus to see Hick, Charley, and Joe fight their last fights for Bryson. But the "Senior Three" weren't the only battlers on that squad—not by any means! All of them fought, and all fought fairly for Bryson and for her glory—scrubs and varsity alike. Of course the climax of football seasons is always Thanksgiving Day, and this was no exception. Even if we didn't win the football for our collection, we were right there when it came to spirit and enthusiasm. The town band, students dressed in school colors, bright new megaphones for the cheerleaders—of course we had pep.

Then came basketball—and gee—what odds the boys faced—no coach, no organized team, nothing. Someone took hold and Hick began to coach. Since then we've been going strong, and though we haven't had a winning squad, the student-body is proud of a team that has lasted in spite of a million handicaps.

So everybody join in three rousing cheers for Bryson!

RAH! RAH! RAH!

BRYSON 0—SEWANEE 14

Before a crowd of about 1,500 people on September 29, Bryson College opened her 1928 football season with a defeat to Sewanee by the score of 0 to 14. It was an ideal football day and the game was full of thrills and closely fought through out. Bryson kicked off and after several exchanges of punts Sewanee worked the ball down to the five-yard line from where Bean took it over. Shortly after this McDill of Bryson proved the biggest thrill of the game by catching one of Boyd's punts and returning to the Sewanee twenty-yard line. After this the quarter ended. Sewanee kicked off to start the second half and after an exchange of punts started a march to the goal line. The ball was advanced to the four-yard line. The Bryson forward wall held. The final Sewanee score came in the latter part of the game. McDill, Lindsay, and Buchanan starred for Bryson. McDill's punting was the best that has been seen on the Sewanee field for a number of years. He outpunted Boyd on the average of fifteen yards.

BRYSON 0—CHATTANOOGA FRESHMEN 6

On October 6, the Bryson Bears met the Chattanooga Freshmen. Fumbles and penalties were in evidence throughout the game. In the first three quarters neither team was able to score. Chattanooga looked good for a touchdown towards the last of the third quarter when she had the ball on Bryson's twenty-yard line. Their hopes were shattered however, when they fumbled and Lindsay of Bryson recovered the ball. In the fourth quarter Bryson was penalized five yards for being off-side; Chattanooga by short line bucks went over for the first touchdown of the game. Their attempt to kick a goal was blocked by Buchanan. For Bryson, Buchanan, Lindsay, and Yearwood played the best defensive game. McDill and Muse did most of the ground gaining.

BRYSON 7—JACKSONVILLE NORMAL 6

The scene for the next battle was in Alabama. It was hard fought throughout. Bryson showed the most determined offensive playing of the season; the defensive playing was along the same order. The Alabama teachers scored in the early part of the game. When the second half started it seemed that something new had entered the Bryson players. They out-fought the teachers during the third quarter and in the early period of the fourth quarter Ranson began to prove himself a thorn in the side of the Alabama teachers. He uncorked a running attack that could not be stopped. He soon had added a touchdown for Bryson. The Bryson Bears threatened to score again but were denied. The main stays for Bryson were Buchanan, Oates, Lindsay, and Ranson.

BRYSON 7—SEWANEE FRESHMEN 20

On October 19, the Freshman from Sewanee met the Bears on the local field. After a hard-fought game Bryson lost this contest, score 20-7. The game was clean throughout and some brilliant playing was exhibited by both teams. Sewanee's first score came early in the initial quarter when Bryson fumbled and Sewanee recovered the ball on Bryson's twenty yard line. By short line plunges Sewanee carried the ball over for the first touchdown of the game. This score came within three minutes after the game began. For the remainder of the quarter Bryson completely outplayed Sewanee. In the second quarter no gains were made through either line, however, Sewanee completed two passes which netted gains of twenty-five and thirty yards. Bryson's score came in the fourth quarter after a series of passes from Muse to McDill had been completed, with the last one over the goal line. Throughout the game Bryson gained territory on running plays and Sewanee gained consistently on passes. The play of Buchanan and Lindsay was best in the Bryson line while McDill, Muse and Ranson played a splendid game in the backfield. For the Freshmen, Worral, Vaughan and Phillips were easily outstanding.

BRYSON 25—TENNESSEE WESLEYAN 6

On November 9 Bryson defeated Tennessee Wesleyan 25-6. This was one of the best football games ever witnessed in Fayetteville. The Bryson team seemed to be just right for the fray. They started off with a rush and kept everlastingly at it until the end, finally wearing the opposition down to the point where they were running the ball almost at will at the end of the game. McDill, Muse, and Sumners were the outstanding players in the Bryson backfield. Sumners played one of the best games backing up the line ever seen on the local field, while Lindsay, Shasteen and Buchanan were powers and stars in the line. Buchanan showed up much better than in any game before this season for the reason that after an attack of fever he was just getting back to his normal stride.

BRYSON 6—CUMBERLAND 19

On November 16 Bryson journeyed to Lebanon to meet the Cumberland Bulldogs. During the first quarter both teams played a defensive game. Bryson opened up a furious drive during the second quarter. Ranson led the running attack and soon proved to be the fleetest back on the field. He skirted left end for a touchdown. Soon after this McDill received a knee injury which practically made him useless to the Bears. The Bulldogs countered the Bryson running attack with heavy line drives. Lindsay did some stellar work at tackle.

MUSE, *Back*JOHNSON, *Guard*OATES, *Center*SUMNERS, *Back*

BRYSON 0—TENNESSEE TEACHERS' COLLEGE 16

On Thanksgiving Day Bryson met defeat at the hands of one of her ancient rivals. The crippled Bryson team played raggedly, though they never gave up fighting. The first half of the game was mostly defensive. The feature of the defensive game was the excellent punting. Neither side gained very much in this. During the first quarter Askins for the Teachers showed his educated toq by drop-kicking the ball between the bars for thirty yards. The Bears took on a more determined defense. Oates blocked one of Askin's punts and was deprived of making a touchdown by being tackled by a Bryson player. By a curious turn of fate the half ended before the Bears were able to rally for a mere five yards. Early in the second half the Bryson Bears were deprived of their already crippled offensive attack by losing the aid of McDill

Wearing a "Blue and White" jersey for their last time, Lindsay, Oates and McDill gave all they had for their Alma Mater.

Basketball Review

After the Christmas holidays a call was issued for basketball prospects and a goodly number responded. Four letter men reported for practice—King, McDill, Oates, and Johnson. With these as a nucleus and such new material as Turley, F. Smith, Muse, McCluskey, Chisolm, and Howard, Bryson was able to put a good team on the floor.

The boys faced a hard schedule, because such teams as Sewanee, Central "Y" of Huntsville, Alabama Normal, Middle Tennessee Teachers, and Dallas "Y" of Huntsville appeared on their roster.

"Hick" McDill, playing-coach, proved to be an efficient director. His coaching, coupled with that old-time "Bryson Spirit" on the part of the players, was responsible for the creditable showing made by the team.

The following players were awarded letters: King, Johnson, McDill, Oates, F. Smith, Muse, Chisolm, Turley, and Howard.
